NISSAN INTELLIGENT MOBILITY BRIM WITH CONFIDENCE.

Imagine a bolder ride through life – driving with greater exhilaration, confidence, and awareness of the world around you; this is the inspiration behind Nissan Intelligent Mobility. Brim with confidence in the All New Micra with systems that keep an eye out all around you, watch the flow of traffic, and even step in to take action to help keep you out of trouble. The more secure you feel behind the wheel, the more you can experience the sheer joy of driving.

The All New Micra comes packed with technologies including: Traffic sign recognition, High Beam Assist, Lane Departure Warning, Hill Start Assist.

INTELLIGENT AROUND-VIEW MONITOR: Using four cameras, AVM gives you a virtual bird's eye view of your car and its surroundings. With visual and audible warning of moving objects or pedestrians in your trajectory, this makes manoeuvring safer and easier.

INTELLIGENT EMERGENCY BRAKING: Constantly monitoring the presence of objects or pedestrians in your way, this upgraded system gives you a warning and applies light braking if there is any danger ahead.

LANE DEPARTURE WARNING AND PREVENTION: This technology gives you a visual and audible alert, or assists you with a steering correction and subtle braking to put you back into the lane when drifting without indicating.

*Features vary by grade

TECHNOLOGY THAT ENERGISES YOU.

Driving The All New Micra is a thrilling experience thanks to its exclusive all-new BOSE PERSONAL audio system and class-leading technologies. Together, they turn each ride into a stimulating and uplifting journey.

BOSE PERSONAL AUDIO-SYSTEM. Featuring 6 speakers with 2 embedded in the driver's headrest, the exclusive BOSE PERSONAL audio system brings an immersive 360° listening experience.

*Features vary by grade

ADVANCED DRIVE-ASSIST DISPLAY: Turn-by-turn directions, caller ID, audio track details and safety feature status, on Nissan's latest full-colour 5" TFT monitor.

DISPLAY AUDIO: Access your favourite music, messages and apps thanks to Apple CarPlay**. Just plug in your smartphone and go.

** connectivity is subject to smartphone compatibility.

NISSANCONNECT: Smart and easy to use. All your audio, navigation, hands-free communications and in-vehicle apps are live and direct on your 7" anti-glare touch screen.

*Features vary by grade

CATCH ME IF YOU CAN.

Drive with agility and confidence: the All New Micra uniquely balances manoeuvrability and smoothness. Thanks to its body rigidity, low driving position and Nissan Chassis Control technologies, the All New Micra brings you responsive steering and motion control, while its efficient engines give you instant acceleration for an exciting, yet secure, drive.
